SUBJECT: URGENT PLEA FOR PROTECTION AND JUSTICE REGARDING SEVERE CYBER-STALKING, CHILD HARASSMENT, IMAGE THEFT, AND

CRIMINAL INTIMIDATION BY DEEPANSHU GIRI (LUNAR ASTRO) AND HIS PROXY TROLL NETWORK.

Respected Authorities,

I am writing this formal complaint with immense trauma, humiliation, and fear for my family's safety. I am being subjected to a vicious, organized, and highly degrading cyber-harassment campaign by an Indian citizen, **Mr. Deepanshu Giri**, and his company, **Lunar Astro**.

Because the Indian Cyber Crime portal is geo-blocked for NRIs, I am forced to send this SOS directly to the highest offices of women's and children's protection and law enforcement in India through my father, who is a resident of India.

1. THE CRIME & ESCALATION TO CHILD HARASSMENT:

My husband recently raised a legitimate consumer grievance against Mr. Deepanshu Giri's astrology business. In a cowardly act of retaliation, Mr. Giri and his organized troll network decided to target me and my innocent minor children.

Mr. Giri is operating a syndicate of proxy Facebook pages—specifically "Lunar Astro Memes" and "Lunar Astro Videos"—weaponized solely to target, stalk, and humiliate my family. The abuse has reached a sickening level:

- **Image Theft & Outraging Modesty:** They maliciously stole a private photograph of me, cropped my face, and published it without my consent in a public video to mock and degrade me.
- **Child Harassment & Defacement:** They stole a private family photograph of my husband and our minor children. They morphed my husband's face into a donkey and maliciously painted over my minor children's faces with white paint. In a subsequent post, they defaced another family portrait by superimposing a teddy bear over us in a highly disturbing manner.
- **Criminal Intimidation:** Most alarmingly, the accused has issued an explicit, written threat on this page, stating: *"I will make your life hell."*

2. DETAILS OF THE ACCUSED & HIS NETWORK:

- **Name:** Deepanshu Giri
- **Company:** Lunar Astro Vedic Academy (OPC) Private Limited (CIN: U80902UP2019OPC121521)
- **Dehradun Office:** 2nd Floor, Cliff Tower, near Anurag Chowk, Vasant Vihar, Dehradun, Uttarakhand - 248006.
- **Ghaziabad Office:** 112 Type II, 1st Floor, Street 1, Block 1, Nand Gram, Ghaziabad, UP - 201003.
- **Proxy Harassment Page 1:** “Lunar Astro Memes” (https://www.facebook.com/profile.php?id=61588920213840)
- **Proxy Harassment Page 2:** “Lunar Astro Videos” (https://www.facebook.com/LunarAstroVideos/)

3. THE EVIDENCE (URLs):

- **Facebook Reel (Stolen Face):** https://www.facebook.com/share/r/1B45K8jCcA/
- **Facebook Post (Defaced Children):** https://www.facebook.com/share/p/1C5Qnb4Ud9/ *(Note: Original photographs of the family, alongside screenshots of their degrading videos, the morphed photos of the children, and the written threat are attached to the physical police complaint).*

4. LEGAL VIOLATIONS:

Targeting a woman and her minor children, stealing their faces, and issuing written threats of ruining their lives constitutes severe, non-bailable offenses under Indian Law:

- **Section 351 of the BNS / Section 503 & 506 IPC:** Criminal Intimidation (Explicit written threat to “make life hell”).
- **Section 79 of the BNS / Section 509 IPC:** Word, gesture, or act intended to insult the modesty of a woman.
- **Section 66E of the IT Act, 2000:** Intentional capturing and publishing of our images without consent, violating our privacy.

- **Section 67 of the IT Act, 2000:** Publishing obscene/defamatory material in electronic form.
- **Protection of Children from Sexual Offences (POCSO) Act & Juvenile Justice Act:** Pertaining to the online harassment and targeting of minor children.

5. MY DEMAND FOR JUSTICE:

Is this how Indian businesses are allowed to treat women and children? By using proxy meme pages to steal their photos, deface images of minors, and issue public threats to consumers who complain?

I urgently demand the following actions:

1. **To the NCW & MWCD:** I implore you to take suo motu cognizance of this digital violence against a mother and her children, and direct the UP and Uttarakhand Police to register a Zero FIR immediately.
2. **To MeitY & CERT-In:** I demand an immediate Section 69A takedown directive to Meta (Facebook) India to remove these URLs and the entire network of pages, as Meta's automated reporting systems are failing to protect my family.
3. **To the DGP UP & DGP Uttarakhand:** I request that officers be dispatched to the Lunar Astro offices in Dehradun and Ghaziabad to seize the electronic devices being used to operate this proxy troll network before they destroy the evidence of child harassment and criminal intimidation.

I am fully prepared to record my statement via video conferencing with the Investigating Officer. The Indian High Commission in Australia is marked on this complaint to monitor the safety and rights of an NRI citizen.

I refuse to be silenced or intimidated by these cyber-criminals. I look forward to your immediate intervention to restore my dignity, protect my children, and remove our faces from their harassment network.

Yours faithfully,
